

The Standard Club
Second Assistant Superintendent: Job Description

Salary: \$34,000/year

Duties:

- Assist with scheduling, training, and management of hourly staff
- Monitor moisture in greens, fairways, tees, and water as required
- Apply granular and sprayable fertilizers and plant protectants to all areas of course and grounds
- Troubleshoot and repair RainBird Par+ES controls
- Assist with repair of irrigation line leaks.

Requirements:

- 2 or 4-year degree in Turf grass management or related field is preferred.
- Experience is not as important as a great attitude, the will to improve and succeed, and appreciation for detail.
